DIGITAL SIGNAGE SOLUTION
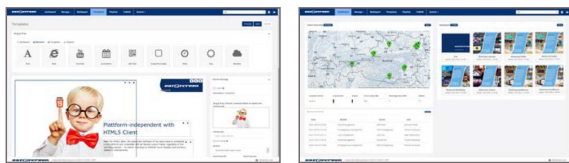

TOP NEWS

eas escreen X.18

The new software generation is here!

The easescreen X18 digital signage cross platform solution is the comprehensive basis for all different digital signage projects and includes the following new features:

- new design and intuitive usability
- design - plan – publish – manage in one application
- create templates per drag & drop
- interfaces to digital and media asset management systems
- manage POV- or HTML5-clients in one application
